Tuition Payments

The tuition balance is paid through FACTS in ten equal installments on the 5th or 20th of each month from August through May.

Tuition Discounts

Military discounts of \$1,000 per child are available to all non-member families who have one parent on active duty, without submitting a full financial aid application. Military discounts are not extended to member families paying the already discounted member rate at Immanuel or families in membership at other LCMS churches.

Families from other LCMS churches are asked to submit a letter from their pastor at the time of enrollment to confirm their church membership.

Incidental Billing

All fees, including activity, extended care, and other incidentals will be billed through FACTS 10 days prior to the payment date (typically the 20th of the month).

Withdrawal Fees

A withdrawal fee of \$1,500 is charged for students withdrawing from the school between April 15 and June 15 of the year preceding enrollment. Full annual tuition and fees for the upcoming school year are due for any student withdrawing after June 15.

Late and Returned Payment Fees

A late fee of \$35 will be charged on any incidental account balance after 15 calendar days of the due date without full payment.

A \$30 returned payment fee will be assessed if any payment (tuition or incidental) attempt fails.

Late charges may apply to extended care. Full rates and late fees are listed on the Extended Care Information & Rate Sheet.

Immanuel Lutheran School reserves the right to engage a collection agency to assist in the collection of unpaid tuition or fees.
